

SIZING YOUR DANCE FLOOR

Deciding the perfect size for your dance floor can be hard. That's why our handy sizing chart is easy! First, identify your guest count and assume HALF of the guests will be dancing on the floor at any given time.

Then, find your **Number of Dancers** (or closest to it) on the chart to identify the length and width of your floor. It's that simple!

		WIDTH OF DANCE FLOOR													
		3'	6'	9'	12'	15'	18'	21'	24'	27'	30'	33'	36'	39'	42'
LENGTH OF DANCE FLOOR	3'	3	6	9	12	15	18	21	24	27	30	33	36	39	42
	6'	6	12	18	24	30	36	42	48	54	60	66	72	78	84
	9'	9	18	27	36	45	54	63	72	81	90	99	108	117	126
	12'	12	24	36	48	60	72	84	96	108	120	132	144	156	168
	15'	15	30	45	60	75	90	105	120	135	150	165	180	195	210
	18'	18	36	54	72	90	108	126	144	162	180	198	216	234	252
	21'	21	42	63	84	105	126	147	168	189	210	231	252	273	294
	24'	24	48	72	96	120	144	168	192	216	240	264	288	312	336
	27'	27	54	81	108	135	162	189	216	243	270	297	324	351	378
	30'	30	60	90	120	150	180	210	240	270	300	330	360	390	420
	33'	33	66	99	132	165	198	231	264	297	330	363	396	429	462
	36'	36	72	108	144	180	216	252	288	324	360	396	432	468	504
	39'	39	78	117	156	195	234	273	312	351	390	429	468	507	546
	42'	42	84	126	168	210	252	294	336	378	420	462	504	546	588
		NUMBER OF DANCERS													

If you know your group is more dance heavy, size up! The number you land on will be your **“Number of Dancers.”**

Please note that not all dancefloors are built alike, depending on your style selection it may be necessary to edit the size. Your Sales Representative will be happy to help with any and all questions you may have!

Boogie Down!
